This policy has been reformatted for placement on Sandia's External Web site.

Background - 5.4.P.1

This policy shall apply to all Purchase Requisition's where security classification for either material or information is anything other than unclassified.

The associated guideline to this policy provides the SCR with information relevant to classified PRs and the requirements for:

- access to classified information,
- access to security controlled and unsecured areas,
- administrative escorts and escort services,
- clearances and Contractor's badges (L or Q),
- foreign national visits,

- shipping of classified material (Ts&Cs) or information, and
 - vehicle information (decals, registration, etc.).
-

Policy - 5.4.P.2

Sandia is accountable to the USDOE for safeguarding classified matter against loss, damage, or compromise.

It is SNL's policy to comply with the Department of Energy (DOE) Order 470.1, Chapter 6, Foreign Ownership, Control, or Influence Program. This program is designed to obtain information that indicates whether an offeror's/Contractor's business is owned, controlled or influenced by foreign individuals, governments, or organizations and whether such foreign involvement may pose an undue risk to the common defense and security of the United States.
